Alan Georgeson (Chairman, HC+) warmly welcomed Turner and said "we've been talking to Turner for quite some time regarding the Alliance and I'm very excited about working with them to design and construct state-of-the-art facilities which meet today's challenges and opportunities in Healthcare", whilst Jim Brownrigg (VP, Director of Healthcare Turner Construction) added, "the Healthcare Developments group moves closer to communities to provide integrated wellness solutions which promote good living and preventative maintenance BEFORE healthcare becomes an issue, and this is a real growth area - we look forward to working together"
